## A letter from our founder

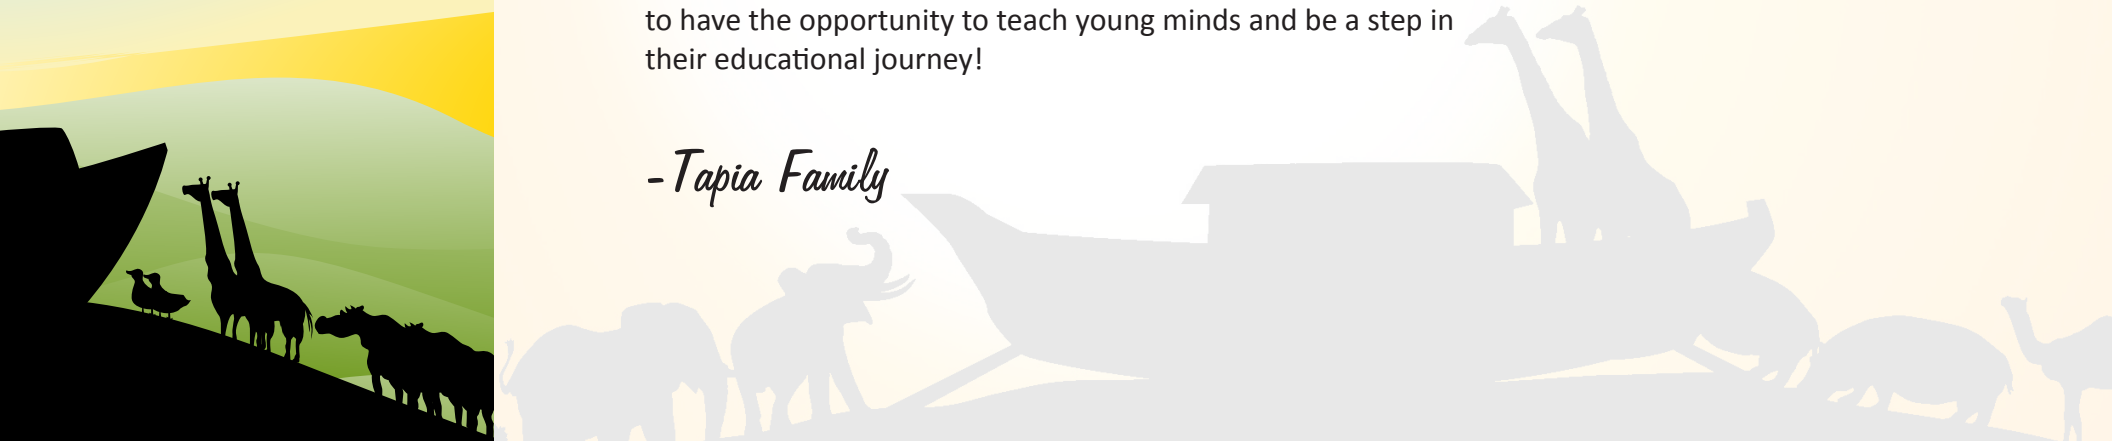

Noah's Ark Children's Academy (NACA) is a nationally accredited, locally and family-owned program that serves children 6 weeks through 12 years of age. Established in 1992, NACA has grown to 3 campus locations serving hundreds of children in our community. NACA has been grateful to have amazing educators that have partnered with us who engage with each child during their formative years.

NACA has 5 Core Values that we believe are essential in the early childhood field: Faith, Children 1<sup>st</sup>, Quality, Community, and Relationships. These values have been the backbone for operations at Noah's Ark Children's Academy for over 30 years.

As we strive to improve the quality of childcare in the State of New Mexico, it is important that we work with our community partners like local public educating affiliates, local libraries, and resources for New Mexico families. Our goal is to develop strong relationships that begin with our teachers to better deliver united and consistent guidance to each child.

We thank you for trusting NACA with your loved ones and are blessed to have the opportunity to teach young minds and be a step in their educational journey!

*-Tapia Family*
