NACA's Illness Policy

NACA Sick Child Policy: Noah's Ark Children's Academy, in compliance with state regulations, will exclude from care any child who exhibits the signs and symptoms of illness. If your child becomes ill a parent or authorized contact person will be called to pick up the child immediately from the academy. While your child waits for pick up, they will rest quietly separated from the other children.

We ask that you help us maintain the healthiest environment for all children by keeping your child/ren home when they are sick. Please refrain from bringing your child to school when they exhibit any of the following:

- Temperature of 100.4 or higher
- A contagious or communicable disease
- Heavy nasal discharge that is yellow or greenish in color
- A persistent cough
- Draining eyes, ears, nose or any sore
- Diarrhea and/or vomiting
- Unidentified rash, including but not limited to chicken pox and/or impetigo
- Thrush and/or any other symptoms of sores in the mouth or feet
- Strep throat (child must be out of the academy for a minimum of 24 hours and under doctor's care)
- Inability to participate in play both indoors and outdoors

Children may return to school when they have been fever free and/or symptom free for a minimum of 24 hours and/or a doctor's note stating they are not contagious is provided.

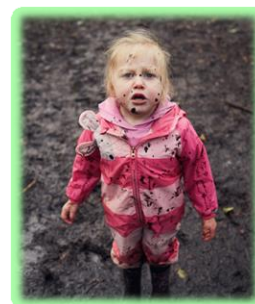

General Classroom Reminders:

Friendly reminder to please trim your child's nails to help avoid incidents/accidents.

Washables:

If/when a child's clothing becomes soiled NACA will communicate that an extra set is needed. NACA does not launder children's personal items like clothing, blankets, and/or other articles; instead, we will request a replacement be provided.

Please scan the QR code below to download the family handbook.

Here at NACA & for our classroom we aim to communicate with you often! Please download the ProCare Engage app to get updates throughout each day on your little one!
